

TRIPPED UP ON THE TRACK

Galatians 5:7-12

The Christian life is sometimes depicted as a race to be run and it is necessary that every believer has a proper view on how to run this race (by grace through faith in Christ). What view we adopt, whether it's by works or by faith, determines what our race looks like and whether or not we will produce the right kind of fruit as we'll see in the rest of chapter 5. Today's portion of Scripture reveals some ways false teachers try to interrupt our race and get us to run the wrong way.

I. FALSE TEACHERS _____ BELIEVERS. (V. 7)

❖ Legalism denies justification (imputed righteousness) by _____.

II. FALSE TEACHERS _____ GRACE. (VV. 8, 11)

❖ The cross is a stumbling block to man's _____.

III. FALSE TEACHERS' TEACHING IS _____. (V. 9)

IV. FALSE TEACHERS WILL BE _____. (VV. 10, 12)
